**Q. Today you navigated your way around to an impressive 66. Talk us through it.**

THORBJØRN OLESEN: Obviously a good start with birdie on 10, my first hole. Thought I played really well. Thought I've had some good rounds this year and just haven't finished it off. It was really nice to get that up-and-down on the last and have that momentum and not make a bogey today. I was really pleased with that.

**Q. Not a single black card on the card. Bobby Mac said he felt some areas of the course, it's playing longer.**

THORBJØRN OLESEN: Yeah, we've had a lot of rain, so it's soft you and don't get much roll on the fairways. But obviously the key here is hitting the fairways and I missed that on 9 and had to chip out and get up-and-down for it. There's a few tee shots out there that's quite tricky where you really have to hit good shots.

**Q. Must feel different having the fans back. Does it give you an extra boost when you're around the course?**

THORBJØRN OLESEN: Yeah, definitely, when you start at 7:50 and there's already people out there, it makes it a little bit warmer and nicer to go out there and have fun, so we are all very happy.

**Q. What do you have your eyes set on for this season? Are you just taking each tournament as it is or do you want to accomplish something this year?**

THORBJØRN OLESEN: Yeah, there's a lot of things I want to accomplish. You have to stay in the present obviously but it's been a while since I've been in the winner's circle, and that's my main goal this year.

Obviously I'm working hard on my swing, changed coach. It's starting to get a lot better and hopefully I can just build on some confidence with it.
