## Marcus Kinhult

### Quick Quotes

**Q. Well, Marcus, a nice way to finish today's round, and three very solid rounds of golf this week so far. What do you feel you've been doing particularly well?**

MARCUS KINHULT: Just been getting passionate really. I've hit a lot of greens and played away from the flags quite a lot. And just played the patient game.

And I had a tough week last week, and I come here and just got back to basics with my golf swing and just patience, really, and just try and get the putter working.

**Q. And just a word on a crowds. Obviously we've been hearing them roar all day. How enjoyable has it been to see them back?**

MARCUS KINHULT: Yeah, there's nothing better than your home crowd. I mean, it's -- you know, to win in front of your home crowd must be unbelievable. I would love to experience it, maybe being tomorrow or maybe sometime in the future. But hopefully one day I'll experience winning in front of a home crowd.

It's just different. It's different. We love golf in this country, and you can just see it in the crowds. And, you know, they're very knowledgeable about the game, and it's just fantastic.

**Q. Let's talk about tomorrow with that in mind. It's a sellout. There's going to be a lot of people here. You got the win last year. So what experience will you be drawing on from that moment when you secured the DP World Tour win into tomorrow?**

MARCUS KINHULT: Well, you know, you got to build yourself. Tomorrow I don't know how many behind the leader I'll be. But, you know, I'll play a patient game again, and hopefully the putter gets hot tomorrow and we can make some putts, get up the leaderboard, and have a chance with six, five or six holes to play.

And if we do get into that position, I'll have that confidence

from last year. So I'm looking forward to it. If it's like today, and hopefully I can hole a few putts like that on the 18, and then I can have a really good day.
