Q. All in all, it's been a good week?

DANNY WILLETT: Yeah, it is has. This weekend's been amazing. Weather has held off good. I think we had probably 30,000 people over the weekend which has made for an amazing atmosphere around this place.

Yeah, same story as yesterday, really. Had a lot of chances and didn't quite make them. So it could have been a really good week. We could have really raised a lot of money. But no, I think all in all, everyone will probably come off and say that it's been a really successful week.

Q. 19 birdies in the kitty, so Betfred will be donating that to Prostate Cancer UK?

DANNY WILLETT: I was trying to work out if it was 18 or 19.

Yeah, same sale as last year. Betfred are donating 19,000 to Prostate Cancer UK unless someone in these last two hours can manage to hit one into 14 for the 50K. Once again, an amazing contribution. Their help, Betfred's help this week's been phenomenal, and it's nice to actually get the guys in and watch some golf live and have some interaction with fans. It's been a really special week.
