Quick Quotes

Q. Two solid days' work, right there at the top of the leaderboard. You must be really pleased?

ANTOINE ROZNER: Yeah, really pleased. It's a course where I've never really played well, as well. So just to be able to get out and produce some solid golf, I was really happy with that in the first place. And then today, I caught a few putt drops, so that's good. I'm right where I need to be, so really happy with my game so far.

Q. How important was the fast start with the two birdies?

ANTOINE ROZNER: Yeah, it was important, because I was saying it was going to be a tough day, even just to make the cut, it's a packed leaderboard. I had two birdies to start, and just helped me to get going for sure.

Q. Tell me about this run of form. You have not missed a cut since March. A lot of consistent golf. What's the secret behind that?

ANTOINE ROZNER: I've been hitting the ball pretty solid for the most part. Putting has been good even though the last few weeks was a bit not as good.

But I think my whole game is good. I don't have any weakness in my game, so I think that helps me just being very consistent week-after-week.

Q. And when you come to a course like this, it's really tricky, there's a lot of different challenges out there?

ANTOINE ROZNER: Yeah, for sure. You've got to be able to shape the ball both ways here. So I think the most complete player is going to win here at the end.

So hopefully I can be in contention coming in on Sunday and we'll see how that goes.
