Q. Four straight birdies to finish your round there. Pretty exceptional stuff. You must be pretty proud of that.

THRISTON LAWRENCE: Yeah, I know. That's amazing. Obviously seeing Niklas making a good charge today, getting to 16-under at one stage, I knew I had to get something going.

Yeah, unbelievable finish. Still a couple of shots behind but yeah, in for a shout tomorrow.

Q. Last year at the BMW International Open, you were four shots back and then overcame with a victory. Despite how Niklas finishes out tomorrow, what's your mindset going into the final round?

THRISTON LAWRENCE: Yeah, I mean, I still need to try and be aggressive and quite an aggressive player, and my game plan doesn't really change whether I'm five ahead or five behind. I must say, I think I ended up more comfortable being a little behind. Still a job to do, and yeah, I can't wait for the final round.

Q. I'm not sure if you looked at the conditions for tomorrow. It might be slightly different to what we've had for the first three days. Does it affect your strategy going into the final round? Can you be more aggressive than usual?

THRISTON LAWRENCE: Depends how bad it is. I don't know if it's going to rain or whatever tomorrow, who knows. It's England.

But yeah, just depends on the weather. Sometimes you can be more aggressive. Sometimes you need to hold on a little. Yeah, let's see what the condition brings and take it from there.

Q. Sounds like you have an important evening tonight watching the Springboks, so good.
