### Quick Quotes

**Q. Matt, thanks so much for joining us. A lovely way to finish your round with a beautiful long birdie putt there at the 18th. Give us your assessment of your play overall today.**

MATT FITZPATRICK: Yeah, felt like I played really solid. Ten 4s in a row to start the day is always nice and steady, I guess. Wish there were a few more par-5s there, but it was a good day all around. I felt like I never really put myself out of position and drove the ball really well off the tee. And I think if you can do that, you give yourself a chance.

**Q. You played 20 tournaments this year. In the first ten, your best finish was 22nd; in the last ten, five top 10s. Clearly you've turned things around. What's the biggest difference in your play?**

MATT FITZPATRICK: I feel like my irons have been better. I think there's a few things -- I didn't chip and putt very well at the start of the year either. And when you hit your irons better and you start putting well, that's a nice recipe for success.

So I feel like I've done that better over the last, I would say, ten tournaments, and hopefully continue.

**Q. Thoughts going into the weekend with an opportunity to win on home soil, which you've done before, but it's always special, isn't it?**

MATT FITZPATRICK: Always is. Yeah, always is. The crowd was fantastic. We had a lot out there today following, and it's amazing. It's really nice to have that support.

Just looking forward to the weekend, like I said earlier in the week, just trying to manage my energy levels and take it easy.
