### Quick Quotes

**Q. An amateur playing here on an invitation, just got 66 for a total of 9-under. Sum up your week so far.**

CAMERON ADAM: It's brilliant. Honestly I'm happy to be here. It's a big week for me in terms of securing where I can play next year. So to have the invite, I appreciate that, and I'm happy to be here playing golf.

**Q. Explain what you said about playing next year.**

CAMERON ADAM: Yeah, so I'm leading the Global Amateur Pathway Rankings, and I'm at a spot where I'm currently ranked 20th and I need to be inside the top 20 to be eligible for the DP card for next year. I'm at that final push to secure DP status.

**Q. That means turning professional, but before that, you'll play Walker Cup that you've just been selected for. How excited about that opportunity?**

CAMERON ADAM: I'm buzzing. We have a great team and we're going to American soil which is always a tough thing to do. There's a great belief in our locker room that we can cause an upset.

**Q. You've played yourself into the mix. You could potentially win this championship?**

CAMERON ADAM: Yeah, just going to try and take every day at a time. I played a great one today and got myself up there, so just the same again tomorrow.
