Quick Quotes

Q. A round of 3-under par 69 to add to your 4-under total. How does that one leave you feeling?

RASMUS HØJGAARD: Good. It was a tough battle out there today. I ran into some trouble early on, and especially on a day when the conditions is so good, you know there's going to be a lot of opportunities out there.

So yeah, I had to stay patient, and happy with coming back in 3-under.

Q. Ryder Cup qualification ends this week. You're the only player who can break into that top six. Do you know what you need to do?

RASMUS HØJGAARD: Yeah, I know what position I need to finish. But what that means tomorrow score-wise, I don't know. It's not something I'm going to look too much into. You know, I'm still hopefully within reach of the tournament tomorrow. Depends on what the guys are going to shoot coming in. But at the moment, I think I'm four shots behind. So my focus is still to try and chase down and have a chance.
