## Matt Wallace

### Quick Quotes

**Q. Third round 70. How would you assess your day's play?**

MATT WALLACE: Good question. I battled hard like I always do. Frustrated with the short one on 17, and, yeah, swing wasn't quite there today, and I need to go and work on that.

**Q. You dropped three in three from the sixth but you must be pleased with how you managed to reset the back nine and battled moving forward from there.**

MATT WALLACE: Yeah, I need to look at the positives. I didn't feel great out there and I managed to bounce back from what were some awful shots, and birdie 9 was really, really strong. Hitting the same club I hit off the tee on 8, and then have to hit it again on 9. I was really happy with how I bounced back, not feeling great, and just goes to show that I can do it when I'm not feeling so good.

**Q. With that in mind, we spoke at the beginning of the week about your goals. Knowing you haven't given your best and what you can do, that must give you a lot of confidence going into tomorrow.**

MATT WALLACE: All I wanted was a chance. I wanted to be a little closer. I wanted to play a little better today. But I've given myself that opportunity for tomorrow, and there's scores out there. I just need to play like I did probably on the first day and hole a few more putts, and, you know, the last few holes there, anything can happen.
