Quick Quotes

Q. Matthew, you saw you were playing with Romain last night, what did you think about that pairing? Did you know you would have the dynamic together to get the job done today?

MATTHIEU PAVON: That was awesome news, Roman was one of the last in and I was so happy for him, so proud. Being paired with him was just a beautiful day, and obviously we got the win in the day. So just a perfect day.

Q. Are you guys getting the point of this whole thing? Are you getting the feeling of what it's about that you guys need to show everyone that the Ryder Cup is going to be so very big at Bethpage? Are you getting a feeling for it? Are you getting a taste in your mouth for it?

MATTHIEU PAVON: Yeah, exactly, as we said, we don't

TEAM CUP
