TEAM CUP

Q. Thorbjørn, half-point. Fair result?

THORBJØRN OLESEN: Yeah, it probably is. I feel like we had a couple really good chances. After we got one up, we had, yeah, two chances to hole a really long putt on 13 to halve it, and I had a good chance on 14 and 16.

A little bit unfortunate but all in all, I think on the front nine it was pretty fair.

Q. Your first experience of team match play as a professional playing alongside the legendary Thorbjørn. How would you describe the experience?

NIKLAS NORGAARD: So cool. This match-play aspect, team aspect, it's always more fun than the individual every week. I really enjoyed it today, and yeah, I can't wait to hopefully turn that score around. I think we have much more in the tank.
