TEAM CUP

Q. Terrific win this afternoon, you played this morning and won 5&3 with Matt Jordan in foursomes, and this afternoon it was 6&4 victory alongside Laurie here. Are you sending Luke Donald a message that if you get little rest between shots, you're lethal?

PAUL WARING: It's the age, isn't it? I got accused of being 49 yesterday by you.

I think that's probably the best I've played so far. And Laurie was as good, as well. I think the pair of us were absolutely clinical, as well. Both hitting high-quality shots and putts were going in, which was lovely.

Q. You've got desires to play in the Ryder Cup. Does playing in this and experiencing what you're experiencing increase that desire if this is what it's like to be part of this?

LAURIE CANTER: Yeah, I think until -- when we get told about these team events when you're playing the Tour. But when you actually get to experience a bit of what we've had this week, I get it. I totally get the hype.

It's been an incredible week, and I think I'd have felt that when there's a draw to be honest, but the way we've all played and come together in our team room is awesome. I I've loved it.
