TEAM CUP

Q. Another win, three wins out of three. You haven't been behind at any point in any match. Is this momentum valuable to you as you play and you're thinking, we're ahead and you stay riding that momentum the whole time?

MATTHIEU PAVON: Yeah, they told us how important it is to have a quick start this week, and in three matches, we got birdie on the first. It was off to a great start, and then we kind of set a pace and made a couple good shots and dropped a few putts and we kind of stayed in front and ahead of the group all day.

Q. Romain, playing alongside your great friend, enjoying great success over these first two days, and tomorrow you're out there on your own in singles. Your thoughts on that?

ROMAIN LANGASQUE: Yeah, today we were great today. I think tomorrow is going to be a tough day for us as a team because I think we are way behind. But we have done our best, and I think tomorrow we are going to do our best, as well. As long as we are not done, we have a chance. So we'll go, we will fight, and we will see what happens.

But of course I am very happy to get these three points done, showing that the pairing with Matt is a good idea and we can beat anyone. It was great, and thanks, Matt.
