TEAM CUP

Q. You won your point and your team have won the Team Cup.. having been here two years ago on the losing side, how sweet is this moment?

TYRRELL HATTON: Yeah, it's a good feeling. I think we all at the start of the week had a common goal: Wanting to win back the Team Cup. So yeah, very happy to win my point today but more importantly, the team won.

Q. Unbeaten this week, three wins and a halve, not bad for a guy that prepared in a simulator, no grass for a month. Are you pleased with your performance this week?

TYRRELL HATTON: Yeah, I guess a little bit of a surprise in terms of how consistent I was. Sort of expecting to be rusty. In some ways, you have one eye next week on the Desert Classic, but overall, really pleased with how I played and really happy to contribute towards the team. It's been a fantastic week.

Q. We've spoken before about the fact that it's going to be tricky for you to qualify automatically for the Ryder Cup because of the limited opportunities to score points. You've made another statement to Luke Donald this week. How pleased with that?

TYRRELL HATTON: Yeah, by now, I guess Luke knows what I'm capable of or the type of golf that I can produce.

Yeah, my job is harder to automatically qualify for the team but I have five events to do that. So yeah, I'm going to give it my best. And my last three Ryder Cups, I've managed to automatically qualify, and I'd love to keep that streak going.
