Quick Quotes

Q. Yesterday you described your round as surprising. How would you describe it today?

THORBJØRN OLESEN: Probably the same. I thought it was really tricky out there. The greens are getting super fast and super firm. When you miss the fairways, it's really difficult to keep the greens. So yeah, I thought it was tricky, and I'm very happy with a couple under today.

Q. What part of your game suits the course setup most?

THORBJØRN OLESEN: Well, I think yesterday and today, I've been putting really well. The lag putting has been good. I had a lot of long putts that I left really close to the hole, so that's been the best part of my game the first two days for sure.

Q. Obviously we are only halfway through, 36 holes to go, what's your mindset going into the weekend with no cut?

THORBJØRN OLESEN: Nothing really changes. It's all the same. It will be fun to see how the course will set up the next two days. I thought today was, like I said, really, really firm. If it keeps going, it's going to get very difficult I think.
