Quick Quotes

Q. How do you feel about today?

THRISTON LAWRENCE: Today was pretty flawless, to be honest. I mean, just get it up and then lost it on a 3-putt, putted off the green, I felt like that the flag was a bit in our favour for the guys really need a good shot behind the flag like as opposed to when it was short.

So sort of ruined my day a little, but I'll get over it. But, yeah, all in all, played fantastic golf.

Q. But the lowest round today is (indiscernible)?

THRISTON LAWRENCE: Yeah, no, definitely, it was fun playing with Zander and sort of riding one another out there today. But comfortable position being a couple back. So, yeah, definitely going to give the top guys a run for their money tomorrow.

Q. No doubt the quality of golf tomorrow will be world class. What part of your game are you relying on to press forward?

THRISTON LAWRENCE: Yeah, I think on a golf course like this, definitely from the tee. And it's not the longest golf course, but the greens are firm and fast, so you really need to be in the fairway to give yourself a lot of birdie chances.

So definitely from the tee, if I can -- I hit the drivers as good as I was, I'll definitely have a shot.
