Quick Quotes

Q. 65 to open your account at Le Golf National, birdie, birdie start as well.

JESPER SVENSSON: Good start today, definitely. Two good shots and setup some nice putts. The front today was tough with the rain and the wind. Overall very happy with the day.

Q. From 14 onwards, the string of four birdies.

JESPER SVENSSON: Exactly, it was nice. I had some good putts rolling in.

Q. I imagine this is your first time playing Le Golf National. How are you experiencing it here?

JESPER SVENSSON: Played Sim laid golf but yeah, first time, like pretty much every week this year.

Q. How has the course held up since the weather yesterday?

JESPER SVENSSON: I'm staying here on site looking out the window last night, looks like 16 green was completely underwater. So they must have done a tremendous job this morning to get it ready.

Q. Well, you've done a tremendous job this year, inside the top nine in The Race to Dubai. Looks like your season is moving all the way in the right direction. Unfortunately we might miss you a lot because you'll be playing over on the PGA TOUR but how do you summarize what you've done so far in a rookie year?

JESPER SVENSSON: I've been enjoying it. That's been my main goal this year is to just enjoy it. Just have a positive attitude on the course and hopefully can translate to some good results. Yeah, looking for a strong finish to the season.
