Quick Quotes

Q. Not quite the fireworks of yesterday but a lot to be happy with going into the weekend.

FABRIZIO ZANOTTI: Yeah, I'm really happy. Not like yesterday. Green were a lot more tougher today than yesterday in the morning. But anyway I'm really happy with my golf. I think I have a solid round and I have a good finish, and that's very important.

Q. What's been the best part of your game this week?

FABRIZIO ZANOTTI: I've been hitting very good irons, and my patience. Today I was very patient because I was not making too much birdies, and I was just patient. And at the end, I get two birdies in the last three. So I think that was really good.

Q. And how is the golf course compared to yesterday? Was it a little bit easier?

FABRIZIO ZANOTTI: It was drier. But yeah, it's good. Greens were a lot more bumpy than yesterday morning. Yesterday I was the first tee off. So I get the perfect greens for quite a few holes.

So yes, today I feel I hit a lot of good putts. The ball make some strange things. But that was the important thing, that I keep positive and I keep patient with all those things.
