Quick Quotes

Q. 67 for your Saturday's work here at Le Golf National. Give us an evaluation of the day out there.

JESPER SVENSSON: It was a test of patience out there today. I hit the ball really well today I thought. A lot of good looks. Hit a lot of good putts. I mean it was a good day but definitely a test of patience. There was a lot of putts that just snuck past. Hopefully they will drop tomorrow.

Q. How pleased are you with your approach play, hitting 16 out of 18 greens?

JESPER SVENSSON: Yeah, like I said, a lot of looks for birdie. Just kept rolling the ball well, and hopefully they will drop eventually.

Q. You won in Singapore earlier this year. What can you learn from your win there that you can take into this final round?

JESPER SVENSSON: Singapore was a great week, and so far this has been a great week as well. All I want to do is have a chance tomorrow on 18, and that's what I'm trying and keep playing for.
