Quick Quotes

Q. First win of 2024, tell us how you're feeling?

DAN BRADBURY: I really don't know to be honest. Yeah, pretty good, but yeah, it hasn't sunk in at all.

Q. It was such a tight leaderboard all day. I think there were 11 tied for the lead at one point today. Were you watching the leaderboard? Did you know where you were in the tournament?

DAN BRADBURY: Yeah, I remember looking at one point and obviously playing with Joe and Gunner, I was second, and they were like 14th, and I was thinking, don't drop a few.

It was just like, stay in, it and I mean, we all know the finish around here, anything can happen and it almost did.

Q. Talk about the finish. The final four holes especially. Talk about your approach at 15, a tight pin, and you had a little reaction after. Talk us through that one.

DAN BRADBURY: Well, we can't say that, either. So we couldn't see it got on the green. Obviously got lucky off the tee. But I feel like I've had a few bad breaks this week. So quite nice to get a good one there.

And then yeah, I mean, just pushed it, straight-up pushed it, and luckily it stayed on and the putt went in. Sometimes you need that.

Q. The last fairway, you were waiting a long time. I could see you breathing heavily. What were you thinking there on the fairway?

DAN BRADBURY: Just hit the green. Literally just hit the green, three-putt, but just hit it on the grass. That tee shot, I've not liked it. Yesterday was the first time I hit fairway.

But I don't know, something about that tee shot I hate. So getting it in play was the first thing.

The second shot is a bit easier for me, just trying to fade one, and if it doesn't fade, fine. There was a big wait on the tee, and that didn't help.

Q. You're now inside the Top-25 in The Race to Dubai rankings heading into the Playoffs. How does that feel now?

DAN BRADBURY: Well, the goal was to make the cut so I don't have to go to Korea and keep my card to be honest with you. To hear that sounds pretty good. I guess I'll be looking at flights to Dubai then.
