## Adrien Saddier

### Quick Quotes

**Q. Adrien, bogey-free 66 in front of friends and family. Sum up your day for us.**

ADRIEN SADDIER: It was really good. I was quite lucky on the front nine to be honest. I got a really lucky bounce on 14 and chip-in on 15. Yeah, it was nice to get some luck, and I played solid on the back nine. And finished with two birdies to make a charge, so pretty good.

**Q. Playing in your a National Open is one of golf's biggest privileges, and playing in your home Open is even better. Tell us how much you enjoyed it out there today.**

ADRIEN SADDIER: Yeah, it was great. It was a great atmosphere to play, and I just tried to enjoy the atmosphere and just tried to play good everything and was better in the end.

**Q. You said that you like to disconnect when you're here and be in a bubble with your family. How much does that boost your performance?**

ADRIEN SADDIER: It's helping a lot. Like yesterday I went straight to the creche to take my son. So it's just really helpful to get my mind off the business and just to think about like my "Dad" job. So it was pretty good.

**Q. Still early in the afternoon. What are you doing the rest of the day to prepare for tomorrow?**

ADRIEN SADDIER: I will just practice putting, gym, physio and I'll be done.
