Quick Quotes

Q. Just talk about being a quarterfinalist.

JENSEN CASTLE: Well, I didn't realize I was that yet. It's cool. I mean, like match play is one match at a time. Doesn't matter how many or where you are. Every match it's a match, you know, and that's what I think of it as.

Q. Where do you feel about your confidence and state of the game knowing yesterday we talked about the fact that expectations were low.

JENSEN CASTLE: Yeah, I still have no expectations really. I have to go buy some clothes. I didn't pack enough for the rest of the week.

But it's just fun to be here, and you guys do stuff you have such a great job running the event and it's just awesome to be here.
