Maddison Hinson-Tolchard

Quick Quotes

Q. Another great match today; just how are you feeling right now after the win?

MADDISON HINSON-TOLCHARD: Really good. I feel like the second nine was definitely a lot better than the first nine. I think I was 5-under or something on the back nine, which was crazy. I'm really happy with it. Ball-striking was there again, and yeah, it was a great match.

Q. How were you able to close it out on 17? Was it a conceded birdie?

MADDISON HINSON-TOLCHARD: Yeah, I put it in real close. I put it to five foot, and she was left of the green and putted all the way down the front of the green again and missed it coming back. It was a conceded birdie in the end, but I birdied 10, 11 and 12, and then we halved birdies on 15. It was a really, really good match. I definitely -- I expected a tough match but nothing like that. That was awesome.

Q. What's the mindset going into tomorrow? Any game plan change or just the same?

MADDISON HINSON-TOLCHARD: Just the same, have fun. Dad and I have been having fun, so we're just going to go out and take it one shot at a time again and just enjoy it. I don't think we can really do anything different at this point.

Q. What did you think about the elements here at Chambers today?

MADDISON HINSON-TOLCHARD: It was a bit weird to start off with. Definitely didn't expect it to downpour like it did to start off with, and then this weird misty fog came in in the arvo, but yeah, it's a bit cold now, but it didn't bother me too much. You have to take it as it comes with the weather, so it's fine.
