### Quick Quotes

**Q. You're a finalist. Congratulations. How does it feel?**

MONET CHUN: It feels amazing, honestly. Coming into this week I couldn't imagine being in this spot, so yeah, I'm pretty happy about it.

**Q. What are you most proud of in terms of your game and getting here?**

MONET CHUN: Yeah, just being patient, I think, throughout the whole week. I definitely wasn't the lowest round coming into match play, so just being patient with the number of putts I made, and just staying steady.

**Q. What's the game plan going into tomorrow?**

MONET CHUN: Honestly just the same thing as today as the last couple days, just making sure I'm hitting a lot of greens and hitting the spots I want to.

**Q. On the broadcast they mentioned you had gone through a bit of a rough patch in your golf. Can you talk about that and reaching this pinnacle now?**

MONET CHUN: Yeah, I wasn't very steady like swing-wise, so being here right now is actually a huge accomplishment for me. I feel like this past year in school this season was probably the best I've played so far, so I'm pretty happy with where I am.

**Q. What did you work on in that time game-wise?**

MONET CHUN: Just a lot of honestly swing practice but being able to chip well was definitely helpful just because I wouldn't hit as many greens around the course, and then just chipping, short putting, yeah, so everything.

**Q. With this win you are now into the Women's Open next year at Pebble Beach. How does that sound?**

MONET CHUN: That's honestly amazing. I'm really excited.

**Q. Have you ever played Pebble Beach before?**

MONET CHUN: No, I haven't. That's going to be a first.
