### Quick Quotes

#### Q. First off, first time in the quarterfinals.

THIANNA HUYNH: Yeah.

#### Q. What does it mean to make it to this stage?

THIANNA HUYNH: I mean, it feels good that I don't have to qualify for next year, right? Is that is what it is?

#### Q. I think that's right. That sounds about right. I think you're right.

THIANNA HUYNH: Because usually qualifying is where the grind really starts I feel like to get here, and then like once I'm here I'm able to enjoy the course and enjoy like being here a lot more.

So, I mean, feels nice.

#### Q. Absolutely. Obviously after stroke play you weren't one of the top seeds, but you didn't have to be involved in that playoff anyway.

THIANNA HUYNH: Yeah.

#### Q. Where did you feel your game was coming into match play? Did you feel as confident that you would be able to make it to this stage?

THIANNA HUYNH: I would definitely say my game changes a lot when I go into match play because I'm the kind of person that doesn't like to worry about scores. I kind of like to go hole by hole, shot by shot.

So, you know, like I'm pretty good about dismissing bad shots and like even after a good shot I can keep going and keep the momentum going.

So, I mean, I don't really have any expectation like when I play, so I don't think -- I mean, it's cool getting this far, but there is a lot more golf left, too.

#### Q. So since you say you don't care about a score as much, do you like to play more aggressive maybe?

THIANNA HUYNH: I don't think it's more like aggressive or conservative. When it comes to shots, I just think my mentality is a lot more -- I guess I am a lot more relaxed. Like it's not technical with my swing or anything or like trying to get -- like fight for birdies to make up for a bogey.

It's just kind of like in the moment.

#### Q. Is it more relaxing that you don't have to beat the whole field as opposed to you're just playing against one person in match play?

THIANNA HUYNH: Yeah, it's one person at a time, one match at a time.
