**Q. Hailey, you put up quite a fight out there. You were 2-down through 3; then you tied it up on 6; then back to 1-down on 7; tied up on 13; you made an incredible up and down on 16.**

Could you just describe the kind of fight that you put out there in this match?

HAILEY BORJA: Yeah, I mean, it's not over until it's over, so I just kept on grinding and kept on trusting my game and all the practice and preparation for the tournament.

So, again, just kept grinding.

**Q. How much confidence does this give you going into the season at Michigan playing so well in this championship?**

HAILEY BORJA: Yeah, definitely a lot. I kind of want to believe that was a little bit of the underdog here, so some really good players out here. Just gave me some more confidence that I can compete with everyone.

**Q. You've impressed a lot of people. Great playing and good luck in the season.**

HAILEY BORJA: Thank you.
