Quick Quotes

Q. What was working well today?

LATANNA STONE: I hit my drives good today. So that was really solid. I was kind of struggling a little bit with some of my iron play. The putts were definitely a little grainier today because they rolled them, according to my caddie.

I was getting a little frustrated out there, but kind of tried to stay steady.

Q. It's a long week, so how do you compartmentalize and take it day by day?

LATANNA STONE: I mean, you just have to take it day by day. It's a long week. It's very draining. Just kind of getting off my feet and stuff as soon as possible whenever I'm done is very crucial.

Q. What have you learned about the course?

LATANNA STONE: This is a hard course. The pins were really tough out there. They were so hard. I was kind of shocked. I was like, dang, and some of them weren't sticking as they were yesterday, and they were rolling. But yeah, tough pins. The greens are tough. You have to try to keep it in the fairway on this course.
