Quick Quotes - TV

Q. Could you describe to me how the match went in your own words?

BROOKE BIERMANN: Yeah, Megha is a great player so I just tried to stay in my own thoughts, and unfortunately the putter went cold today.

But overall, I felt like I gave it my all and I had a blast out here. What a beautiful place to play in a finals match.

Q. How would you describe what you learned throughout this week? Very tough challenge. What you learned about yourself out here.

BROOKE BIERMANN: For sure. I feel like this taught me a lot about myself. How I can push through adversity and under pressure make a lot of great putts.

So this was a great week and a lot of learning experiences that I'll take with me.

Q. It's been a family affair for your family this week. Dad on the bag; sister out here supporting you. What has it meant to you this week?

BROOKE BIERMANN: Oh, my gosh, so much. I had my whole family here. My coach flew in with my teammate, and everyone came in. Honestly, like such a family and I'm so thankful for that.
