## Davis Chatfield

### Quick Quotes

**Q. When you saw you were paired up against Scott last night in the bracket, what were your first thoughts?**

DAVIS CHATFIELD: You know, obviously I know Scott, just hearing his name everywhere. He's won pretty much everything at this point, it seems. So I knew I had a tough match ahead of me. He played really well it seemed yesterday. I think he shot 5-under on Dunes. I knew I had to get off to a good start to just get some confidence going throughout the round, and I was able to do that. I eagled the 3rd hole. I hit it to six feet, and that was a good first couple holes anyways to get the match started. He's just such an awesome guy. He's a lot of fun to play with.

**Q. You got the lead, but he just kept coming back at you all through the back nine. What did you have to do, especially mentally, to hold him off?**

DAVIS CHATFIELD: Yeah, I knew -- I figured after the first six holes I was like 3-up, but I knew him, he was going to bounce back, and I figured he was going to make some birdies, and he made one on 9. He had a bunch of looks today, and he hit the ball really well, and I knew that it was going to be really tough to make birdies, so I knew par was going to at least halve the hole on most of the holes, especially on the back nine once the wind started to pick up.

I knew if I just hit it in the fairway, got it in the middle of the green it was going to get some pressure on him.

**Q. And then it got down to one in the closing holes, and you had to do what you had to do on 18. Take us through 18.**

DAVIS CHATFIELD: Yeah, he bombed a drive out there. We were both kind of surprised where it ended up. He basically went for it in two, ended up just short left, and where I was after my first shot, I just couldn't go for the green. Played a very similar hole to what I did in medal

play. I had about 130 in. Hit a 9. It was mostly off the left and a little hurt, which is a little different than a couple days ago, so it just flew a little past the pin. But I got a pretty good read off of his putt, and after he missed I just needed to lag it up there.

**Q. So you go from a USA Walker Cupper to a GB&I Walker Cupper tomorrow in Sandy Scott. What do you think that's going to be like?**

DAVIS CHATFIELD: It's obviously a first -- a tough first couple matches here, but with this field, you're bound to get that. Everybody in this field is really good. They're here for a reason. I'm just going to play my own game tomorrow and whatever happens happens.

**Q. Where is your confidence level now?**

DAVIS CHATFIELD: It's really high, especially after beating him. I felt like I played really solid throughout the day, and if I keep going, keep that going into tomorrow, I feel maybe I can get another one.
