

# U.S. Open Championship 2021

Saturday, June 19, 2021

San Diego, California, USA

Torrey Pines Golf Course

## Richard Bland

### Quick Quotes

**Q. Richard, could you just walk us through your round today.**

RICHARD BLAND: Yeah, just I struggled with my irons all day. I drove the ball pretty good, which is what you need to do. I just couldn't take advantage from there, and I didn't really give myself any decent looks for birdies.

That's the U.S. Open. Some days it's just going to beat you up all day, and today was my day.

**Q. Course conditions out there, how were they compared to rounds 1 and 2?**

RICHARD BLAND: When we played it yesterday in one of the first groups yesterday morning, it was pretty soft, so it was pretty gettable yesterday. You could be a little bit more aggressive. Today, they were a lot firmer, and if you're going to give yourself decent chances, you have to be spot on with your distance control, with your irons, and that's where I fell down today.

**Q. Game plan for tomorrow, any changes?**

RICHARD BLAND: I'm going to go to the range and try and work on a couple of things. I'm driving the ball pretty good. I've just got to maybe try and be a little more aggressive tomorrow, hopefully get some better numbers. My numbers today weren't great. I never really had sort of good yardage, but yeah, tomorrow's a new day and just put this one down to experience.
