Quick Quotes

Q. Just thoughts on your round today and the course overall?

CHARLES REITER: The course is in great shape. My thoughts on the round were not so great, but there's always tomorrow.

Q. What were your nerves like teeing up on 1 and throughout the round today?

CHARLES REITER: Yeah, definitely was a little nervous off of 1, but hit a good drive, and then took me a couple holes to get kind of into it, and then from there on out I was pretty good.
