

# U.S. Open Championship 2025

Friday, June 13, 2025

Oakmont, Pennsylvania, USA

Oakmont Country Club

## Denny McCarthy

### Quick Quotes

#### Q. Course conditions?

DENNY MCCARTHY: Gettable if you hit it in the fairway.  
Not gettable if you don't hit it in the fairway.

#### Q. If you don't get it in the fairway, what's going through your head when you're walking to your ball?

DENNY MCCARTHY: You're half expecting to totally chip out and half expecting to maybe have a line to hit it up somewhere near the green. You've got to be really sharp tee to green. It's a pretty demanding course. The course I feel like can play way more difficult than it has, and you still see -- it doesn't take that much. If you're not on tee to green, you're going to struggle regardless. But they can firm these greens up, and I think they can speed them up a little bit more if they want to.

#### Q. What kind of conversations have you had with other players here about this course and the challenges?

DENNY MCCARTHY: Not a ton. Obviously they're really slopey undulated greens, but there hasn't been a ton of talk. It's just kind of the common theme; everyone seems like they're exhausted when they come in off the course just because it's a punch in the face. Even if you've played okay and grind it out and shoot a couple under to a couple over, it's still just a grind. It just takes a lot out of you.
