## Cameron Young

### Quick Quotes

**Q. Cam, it's a tight one out there. It was good, you're right there still. Tell me about that round. What was it like for you?**

CAMERON YOUNG: I got off to a really nice start, then had no idea where the ball was going to go for about 12 holes. Then birdied on 17 and lost by two.

**Q. How does the rain delay for all you guys kind of -- how do you keep sharp, if you will?**

CAMERON YOUNG: Just sit for an hour and hit a couple balls and go. It's not rocket science.

**Q. No rocket science behind that one. I noticed a lot of guys would go to the range and hit some and warm up a little bit. The course, does it hold up? The course is just really tough, and when it rains like that and they're trying to clean it off, is it just you guys got to go through it anyway and you got to figure out a way to beat it?**

CAMERON YOUNG: Yeah, it's not fun waiting for squeegeeing, and there's really not much rhythm to be had out there.

**Q. How inconsistent were the green speeds and the playing surface and the putting surface?**

CAMERON YOUNG: How good was I?

**Q. How inconsistent were the speeds?**

CAMERON YOUNG: Yeah, definitely there's wet spots. You just have to guess. There's not a ton you can do. You're waiting for them to squeegee them, but while it's still raining out there, the water is collecting so fast you're kind of trying to smack it through puddles and see what you get.

**Q. What did you see in Bob's round that was impressive?**

CAMERON YOUNG: He came back really well. I don't know, he's a good golfer, and he got off to a bad start and

finished really well.

**Q. Something in his game that you think is particularly impressive?**

CAMERON YOUNG: I don't really feel like talking about it, to be honest.

**Q. He's probably going to win.**

CAMERON YOUNG: Yeah, I just lost by two, so more concerned about that than about who's going to win.
