### Quick Quotes

JINHEE IM: Front is fine but at the back nine has some windy. I mean tee box is very change and wind is strong, so very confusing to make the target, yeah.

**Q. How do you feel about your overall performance today?**

JINHEE IM: It's same. Front nine is fine and the back nine is really bad. My driver like just (indiscernible), then that make some trouble.

But maybe tomorrow is fine.

**Q. And last question: What is your mindset going into the weekend of a major?**

JINHEE IM: So just go. Just think same and do -- just do my best.
