### Quick Quotes

**Q. Opened with a 3-under 68. What part of your game was the strongest for you today?**

HYUNJO YOO: (Through translation.) The best one, No. 2 birdie I think that was the best one.

I think because I was able to get the birdie in the beginning I felt more comfortable.

**Q. How did the conditions fare in the early part of your round with the marine layer out there? How did that fare with the afternoon when you finished?**

HYUNJO YOO: (Through translation.) I don't think that was much difference. I think I was a little bit nervous in the beginning. As time goes I was able to relax a little bit and was able to enjoy the game.

**Q. Then so you're sitting first round leader right now. What does the rest of the day look like for you as you tee off tomorrow, Friday?**

HYUNJO YOO: (Through translation.) Tomorrow it'll be windy I think so I'm a little bit concerned about that. But I'm going to use the wind to my advantage so rather than playing aggressively I will play maybe more safely and I will use the chance.
