**Q. You fought until the end in the semifinal match. Just talk me through that last match.**

BILLY DAVIS: Yeah, I mean, when you're 5-down there's not much you can really do but just try to hit the next shot as best you can. Took a lot of pressure off me for sure, and I just was free-swinging it and hit one close on 15 and then made a long one on 16, which felt good.

BILLY DAVIS: Well, I learned that I can hit a good shot when it matters, because before I felt like maybe I'm not that great under pressure, but this whole week I hit a lot of really good shots under a lot of pressure.

**Q. Moving forward, what more does this do for your confidence, heading back to your high school season this fall?**

BILLY DAVIS: Yeah, I've got a few big tournaments coming up after this the rest of the summer. I've been playing pretty good, and this week just helps for sure with the confidence. Hoping it'll just help me play better in my next few events.

**Q. Did you get some messages from teammates back home or some family and friends back in California?**

BILLY DAVIS: Yeah, a lot of people sending me videos
