### Quick Quotes

He'll probably give me some -- probably tell me -- I don't know, get some rest, stuff like that.

**Q. All right, Trevor, great playing today. Let's go back to your first match this morning against blades. You got 3-up and then he actually got all the way back to tied at the turn. How were you able to turn the momentum back in your favor and obviously close him out?**

TREVOR GUTSCHEWSKI: Yeah, I just figured keep hitting good shots, try not to mess up, and then birdies would come.

Hit a couple good shots coming in, and then, yeah, just didn't mistake many mistakes on the back nine.

**Q. Play 36 holes often. Obviously played two matches today. How grueling is it out there today?**

TREVOR GUTSCHEWSKI: No, not really. We got a couple match play tournaments back in Nebraska where we play 36. Besides that, never -- it's a long day. It's a big walk. Just trying to stay energized is nice.

**Q. Any difference in your game plan going from stroke play to match play or just go out and play golf?**

TREVOR GUTSCHEWSKI: It's kind of just go out and play golf. Play your own game. Give yourself plenty of opportunities and try not to mess up, give away any holes.

**Q. Have you heard from dad yesterday today?**

TREVOR GUTSCHEWSKI: No, not yet. He's been playing today, so...

**Q. That's right. What do you expect to hear from him and are you going to ask him any advice going into further down the championship here?**

TREVOR GUTSCHEWSKI: He'll probably say something like congrats. Don't get too happy. Yet. He's like you got plenty of golf left.
