## Miles Russell

### Quick Quotes

**Q. Can you just talk to me through the week, like what are you most proud of?**

MILES RUSSELL: It was a great week. Hit a lot of good golf shots and hit a lot of bad ones, but kind of only remember the good ones now.

So I think that's a good thing.

**Q. Uh-huh.**

MILES RUSSELL: I did all right. I hit my driver great. Maybe not quite as good as I wanted yesterday; hit it okay today.

No, for the most part I hit it pretty solid. Chipping around here is a little difficult so that's just something that if we ever come back here to work on and focus on a little more. Just a tough place to chip around.

But fun week.

**Q. What was the most challenging part about today?**

MILES RUSSELL: Today? Really just trying to make birdies because that's all he was doing. He was making birdies, a lot of putts. It's hard to beat somebody when they make a bunch of putts. That means you have to make just as many and more. Really just trying to make birdies.
