Quick Quotes

Q. What do you take out of this week? Obviously semifinals is a big accomplishment.

CHRISTIE BLASI: I was so impressed with the hospitality, and everybody here in Alaska have just been wonderful. But I am, I'm honored, I'm blessed to be here. I was hoping to make match play.

I'm looking forward to next year.

Q. You're actually into the next two years, so how big a relief is it to not have to think about it; you're in?

CHRISTIE BLASI: Somebody told me that yesterday, and I had no idea. Yeah, it's just very humbling to be around all these ladies, and everybody is just so nice and so kind.

Q. Everyone always talks about the competition is fierce and the camaraderie both. Talk about the uniqueness of that with this demographic.

CHRISTIE BLASI: I think that camaraderie for women is huge, especially with women's golf. We're sociable, and while we all get out here and every single one of us has that competitive fire, I think first and foremost to me is the friendships. To be here in Alaska, the way everybody has just been so welcoming, it's really just amazing.
