Quick Quotes

Q. You should be really proud of what you've done. I'm sure you are.

SUE WOOSTER: Yeah, I'm really proud. This is my third final in four years, so -- I turn 60 this year, and I thought -- when I went into my first final four years ago, I thought, what are the chances, and then I got into it the next year, and I didn't quite make it last year in Alabama but then got in again this year. I turn 60, I thought, hang on, maybe I'm going to win this one day. Maybe not today, but things happen in funny ways. I think my day will come.

Q. She's just playing so well, and match play is a funny thing, right?

SUE WOOSTER: Yeah, yeah, she put the pressure on, and I didn't hit my approach shots good enough. I didn't quite hole out a few clutch putts, but that's the way it goes.
