## Kris Tschetter

### Quick Quotes

**Q. Kris Tschetter, even par today. More of an up and down round. Are you proud of how you played?**

KRIS TSCHETTER: Well, I did not play well on the first however many holes that was; was struggling on the greens. Then kind of got it going and went birdie, birdie, birdie, eagle, so that was great. And then had chances on the last few holes.

**Q. Let's talk about that stretch, 5-under in five holes it looks like. What was working well?**

KRIS TSCHETTER: Just I made the putts. (Laughter.)  
For a change.

But I had some chances that I just didn't capitalize on and then hit a couple shots that just cost me.

You know sometimes that happens at a U.S. Open where you make one mistake, you make another, and next thing you know you got double or triple.

So I just tried to stay patient and just didn't give up out there and got it going again.

**Q. In contention heading into a weekend of a major. Put that into words.**

KRIS TSCHETTER: I was so busy out there that I hadn't looked at the board until, now so I'm pleasantly surprised that nobody made a big move today. I don't feel quite as bad. (Laughter.)

**Q. Best of luck tomorrow.**

KRIS TSCHETTER: Thank you.
