Quick Quotes

Q. Laura, how tough was it out there today?

LAURA DAVIES: Yeah, about as tough as I've ever known it, I think.

Q. Was the toughest the physicality of it?

LAURA DAVIES: I just think the overall week, it just wore me down, and then the heat today.

Q. You mentioned you thought maybe your medication was making a difference with the heat that you're on for your achilles?

LAURA DAVIES: I mean, it's just an accumulation. It's three weeks of walking with a hobble, the pressure of a final round, and well, I was going really well until the quad.

Q. At what point did the exhaustion kind of kick in?

LAURA DAVIES: About the second hole.
