#### Q. Can you tell me what worked for you out there?

LISELOTTE NEUMANN: I think it was a combo of things. Drove the ball pretty good. I think that's one of the keys to the golf course, to keep the ball in play. Hit a lot of greens, and the few times when I did miss the greens, I hit some really good -- a bunker shot or a really good pitch and got it in close and made a couple of good putts. It was like a combo today of everything.

#### Q. The greens were probably a little bit firmer this afternoon. How did they play for you?

LISELOTTE NEUMANN: Yeah, there was a couple of shots coming in where I thought I hit the ball really well and it just took some big bounces and ended up a little bit further on the green than I expected. But overall I think the course is playing very fair. It's a great golf course. It's in good shape.

Like I said, there was maybe a few shots that were a little bit trickier this afternoon, but overall I think I adjusted very good to it.

#### Q. What part of your game do you think really shined today?

LISELOTTE NEUMANN: I think I hit a lot of good iron shots today. I made the putts that I had to make today, so a combo of good iron shots and the putting.

#### Q. What's your strategy as we head into the weekend?

LISELOTTE NEUMANN: I think I'm just going to try to keep sort of doing what I'm doing. I might go just work a little bit more on my driving just to make sure that I keep the ball in play. I've been doing that so far, but yeah, just go hit a few drives and just keep working on the putting. Just a lot of speed. You've just got to really pay attention to the greens and try to leave yourself some more uphill putts than downhill. The downhill putts seem to get really slick. So I'll do that.
