### Quick Quotes

#### Q. Nice round today; can you walk me through it?

JULI INKSTER: Well, I didn't drive the ball particularly well, but I managed my game out there. I hit a lot of good iron shots, had a lot of good looks. Greens are extremely tough. You've just got to kind of make sure you put the ball on the right side of the hole.

#### Q. What do you think has been the most challenging part of the week? Has it been the greens --

JULI INKSTER: The greens, definitely the greens. Today was very windy. It started out different and then it went back to the same.

But it's a good challenging course.

#### Q. What part of your game are you most proud of so far?

JULI INKSTER: I think my lag putting has been very good. But probably my putting and my iron game. I've got to find my driver somewhere.

#### Q. How will you approach championship Sunday?

JULI INKSTER: Well, there's a lot of people between me and the leader, so I'm going to have to go out there and shoot low. But it's not a course you can really get aggressive on. You just kind of have to take what it gives you. Just go out there and do my best.
