### Quick Quotes

#### Q. Tell us about your round today.

LISELOTTE NEUMANN: I felt like I hit the ball really well actually until my drive on the last hole. I missed it in the left rough and it cost a bogey on the last. But I played really, really well. I hit the ball good. Unfortunately I think I missed like three short putts, like less than three or four feet. I don't know if it's nerves or just -- yeah, I don't know what I was doing, moving my head. I'm going to go work on my putting a little bit. But overall I played really well.

#### Q. What are you looking to carry into tomorrow?

LISELOTTE NEUMANN: I think just the positive with my swing. Like I said, I drove the ball well. I hit some really good iron shots into the greens. I feel like I really played smart. There were some pins that were sort of tucked that I didn't go for, put them in a good spot. But the greens are fast and a couple of putts just ran away from me and I just missed the comeback putts like three times.

Without that, I feel like I could have been a couple under par. But I'll head out to the putting green and figure it out.

#### Q. What were some of your other challenges today?

LISELOTTE NEUMANN: I don't really feel like it was anything else. It was basically just the putting. That's it.

#### Q. What's your mindset going into tomorrow? How are you going to keep level headed?

LISELOTTE NEUMANN: I think just -- I feel like I've been doing really well, even today when I missed a couple short putts, I really just tried to stay in the moment and was trying not to let it get to me. Just keep focusing on every shot. That's kind of my goal. Just take one shot at a time and just really stay in the moment, and hopefully that will work.
