### Quick Quotes

**Q. Great round today; can you walk me through your first experience at the U.S. Senior Women's Open?**

KARRIE WEBB: I think outside the ropes I've had a great time. It's been good to catch up with people. Inside the ropes I wouldn't say I've enjoyed myself all that much. It was a pretty frustrating week. Just didn't really have -- there wasn't one part of my game I would say I was happy with this week. So that's a little disappointing. I felt like I was playing better than that heading in here.

**Q. What did you find the most challenging? Was it the hole locations, the greens?**

KARRIE WEBB: Just probably the challenge is between my ears, I think. That was the biggest challenge this week.
