Quick Quotes

Q. Five birdies on the day. Talk about the conditions out there and what was working well.

SCOTT DUNLAP: Well, it started testily. At least we were downwind going out, and the wind was up, and then it started to subside. But the course is still soft, but it's still a stern test.

So I kept it on the straight and narrow. Didn't find any trouble. A little bit better with the putter today. Made my short ones.

Yeah, all in all, very good round.

Q. A lot of fairways in regulation and greens in regulation. Talk about that.

SCOTT DUNLAP: Yeah, stress-free. I don't think -- I might have putted from off the green a couple times, but never had to, quote, chip or wasn't out of any bunkers and found any squirrely spots.

Yeah, reasonably stress-free, which was kind of nice. Weekend at a major and even in decent shape.

Q. What can you take from today?

SCOTT DUNLAP: Yeah, like I said, yesterday the putter was balky. Today was better. Let's hope that's the one that shows up for the weekend.
