**Q. You guys obviously did not get off to a great start. You guys dug yourselves a big hole today with four bogeys in the first nine.**

LAUREN SLATTON: Yeah, we like coming back from behind, but I think we got too far behind to come back. We were getting a birdie run down the stretch, but there's nothing you can do when you have to win every hole to tie it.

**Q. Were you guys mentally a little tired, physically a little tired going into today?**

SAVANNAH CHERRY: Yeah, we were a little tired, but I think it was mainly waking up from this morning. It was an early tee time, and I think we didn't hit the range early enough.

LAUREN SLATTON: We were a little rusty on the first few holes where we got most of our bogeys, and I don't think we played bad, I just think we didn't prepare enough. If we would have hit the range a little earlier, I think some of those bogeys would have been avoidable.

**Q. You guys are bronze medalists and also exempt for two years. Just sum up your week.**

LAUREN SLATTON: We're happy. We didn't think we'd make it to Wednesday. I actually was planning to go back today, and the fact that we made it here today, that's great.

**Q. You've got something to build on for the rest of the summer and obviously into next year?**

LAUREN SLATTON: Yes, it is. Definitely.

**Q. Have you guys played any two courses that are coming up in '25 and '26?**

SAVANNAH CHERRY: No.
