Quick Quotes

**Q. Did they birdie the last hole?**

FRANKIE CAPAN: Yeah.

**Q. I think there were 17 birdies and one eagle. That's insane. You guys birdie eagled the first hole.**

FRANKIE CAPAN: Yeah, we started off hot.

**Q. You were up 4, I believe.**

FRANKIE CAPAN: We were up 4 through 7. I think we were 6- or 7-under through 7.

SHUAI MING WONG: Yeah, 6-under through 7.

FRANKIE CAPAN: So we got off to a nice lead there, and then Preston made a good birdie on 8 and 9, and then we halved 10, we made a nice birdie on 11, halved 12 with birdies, halved 13 --

FRANKIE CAPAN: Made birdie on 14. Luke made birdie on 14.

**Q. You guys birdied 15, they birdied 16.**

FRANKIE CAPAN: And then we just missed birdie on 17 and then both birdied 18, and then Preston birdied the second playoff hole.

**Q. How long was his putt?**

FRANKIE CAPAN: It was a good length putt, probably 20 plus feet.

SHUAI MING WONG: I'd say 25.

FRANKIE CAPAN: 24 to 25 feet.

**Q. It's sad when one team has to go home when you're playing that well.**

SHUAI MING WONG: Yeah, it definitely stings a little bit right now, but all in all, I feel like we played pretty solid.

**Q. I guess you can't hang your head too low when you know you've played well and the other team just plays a hair better?**

SHUAI MING WONG: Just a lot of fun. It's very rare to have that kind of like scenario where you just feel everything, like all the adrenaline, like all the emotions. I think we should definitely be proud of ourselves and move forward because we know what we're doing out here.

**Q. Do you think you guys will come back next year?**

FRANKIE CAPAN: We'll see. We'll see. One thing though is last night when we were out here putting before they closed everything up, we were just so thankful to be here. Such a neat championship. Something we cherish. I mean, I hope to be back.

**Q. I think it's just like this year where it falls in between the regionals and the NCAAs. You've just got to get your coaches to approach it. I can't see why coaches wouldn't approve it. You're out here competing. I guess you could hurt yourself.**

FRANKIE CAPAN: I think if we were in regionals this year, I think we wouldn't get a practice round or we'd miss one practice round. But I think it would still probably be worth it. But I don't know, kicking off a busy summer.

**Q. Are you guys both seniors?**

SHUAI MING WONG: About to. About to be seniors.
