Quick Quotes

Q. Natasha, can you tell me what it meant to play in the opening round of the inaugural U.S. Adaptive Open?

NATASHA STASIUK: It's pretty honoring to be the only Canadian here and be able to come. It's been a big dream for it. I'm just trying to represent my country and obviously have fun with all the people. It was fun to play with a seeded player. It was honoring and special to not be in that situation.

Q. There's some pretty amazing stories out there. Can you tell me how you go into the next few days feeling motivated?

NATASHA STASIUK: I'm just going to go in with a smile on my face and whatever comes out comes out. I know I can do much better than what I shot today, that's for sure. I just had a couple bad shots, two in the water.
